College Marketing Statement

The James M. Hull College of Business is accredited by AACSB International and offers outstanding, highly-engaged business and technology education at the undergraduate and graduate levels. Educating future business and technology professionals since 1963 and being recognized among the Best 300 Business Schools in America by The Princeton Review, the Hull College advances its graduates by providing a world-class educational experience.

Investing in teaching, research, and service, the Hull College is engaging in the future advancement of business and technology...The Hull Difference!

Job Information

The James M. Hull College of Business at Augusta University invites applications for a tenure track position at the Assistant or Associate Professor level in Computer Science or related field with primary teaching expertise in computer science. **Anticipated start is August 2017.**

Candidates should have the capability or potential in developing discipline relevant peer reviewed intellectual contributions. (30% of workload)

Equally important is demonstrated capability or potential for teaching excellence within the discipline. Assigned courses depend on the selected candidate's talents and interests as well as scheduling needs, but with a preference to teach one or more of the following courses: Operating Systems, Computer Graphics, Analysis and Design of Algorithms, and Ethics in Computer Science. (60% of workload)

Candidates should be prepared to deliver courses online, as hybrid online/face-to-face, and face-to-face with a strong preference for candidates who can combine these approaches in an assigned section (e.g., face-to-face content is recorded and the course packaged so students can participate in their choice of delivery mode).

Minimum Requirement

Applicants must hold (or receive before start of employment) a PhD in computer science or closely related field.

Shift/Salary

Academic rank, tenure status and salary to be commensurate with qualifications and experience of the

selected candidate.

How To Apply

To be considered an applicant for this position you must apply online at <http://www.augusta.edu/hr/jobs/faculty>.

Please upload your Curriculum Vitae, Research Statement, at least three references familiar with your background who may be contacted, and a cover letter outlining your interest in the position which briefly but specifically addresses your suitability and interests based on the research and teaching requirements etc., as one document. Inquiries about the position should be directed to Dionne McCracken, dimccracken@augusta.edu or 706-737-1418.

Applications received by **January 1, 2017**, are assured full consideration. However, we will accept applications until the position is filled. The position is subject to final approval by Augusta University and the Board of Regents of the State of Georgia.

Conditions of Employment

All candidates are required to successfully pass a Background Check review. For specific positions, the final candidate may be subject to a (pre-employment) physical, drug screen, and/or credit check.

The final candidate will be required to provide proof of completed academic degree in the form of an original transcript. Those candidates trained by a foreign institution will also be required to provide an educational/credential evaluation.

Other Information

This position is also responsible for promoting a customer friendly environment and providing superior service to our patients, students, faculty, and employees. "Augusta University is a patient-and family-centered care institution, where employees partner everyday with patients and families for success."

Augusta University is a tobacco free environment and the use of any tobacco products on any part of the campus, both inside and outside, is strictly prohibited.

Equal Employment Opportunity

Augusta University is an equal employment, equal access, and equal educational opportunity and affirmative action institution. Also, Augusta University is a federal contractor and desires priority referrals of protected veterans. It is the policy of the University to recruit, hire, train, promote and educate persons without regard to age, disability, gender, national origin, race, religion, sexual orientation or veteran status.
